

Chapter Members Honored at Annual Awards Banquet

The Chapter held its Annual Spring Dinner and Awards Banquet June 20, 2008 at the Lape Residence. This event marks the end of the Chapter's Fiscal Year, introduces the new Board for the coming year, and recognizes some of the key people that put hours of effort into making the Chapter events and activities a success.

Here is a summary of the Awards and Member Recognitions:

Georgia Spencer received the Commendation Award for her support of CSI programs and membership objectives, for being an advocate for CSI, event sponsor, and heading up the Golf Committee.

Doug Pennell received a Certificate of Appreciation for his enthusiasm and dynamic role in the organization, final presentation and successful submission for the Outstanding Chapter Award, and tireless work on the Chapter Newsletter and Website.

Eric Rieckers received the Chapter's highest award, the S. Harold Clark Award for his undying enthusiasm for the betterment of the profession. Eric was instrumental in bridging the communication between associations in our industry, and has an ability to pull meetings together from out of nowhere, always at the ready with a suggestion or volunteering to step in, help out or more likely, take over!

Several of our Members Received 5, 10, and 20 year Chevrons:

20 Year Membership: **Kent Chadwell, CSI** – Architect Northwest
Malcolm Hain, CSI, CCS – Deneff Deeble Barton Associates
Don Trail – Don Trail, Architect

10 Year Membership: **James Foss, CSI, CDT** – Intermountain Roofing Supply Inc.
Tom Gerard, PE, CSI – Gerard & Associates

5 Year Membership: **Eric Rieckers, CSI, CDT** – Yadon Construction Specialties
Cory Trapp, CSI – GD Longwell Architects

The Chapter was also in receipt of an Institute Award, **The Outstanding Chapter Award**. This award is presented to a chapter that meets designated core and elective criteria. There are three classifications, based on the number of chapter members at the end of the fiscal year. The nomination for this award includes supporting documentation, required examples and samples of Chapter activities throughout the year. We were very excited to accept this Award, and are motivated to keep up the good work!

Other outstanding things our chapter accomplished and was recognized for include: an Education Seminar on the Modifications to the AIA A201, held in conjunction with the AIA local Chapter, we sent 8 of our members to CSI events in the Region and National level, and gave away an Educational Scholarship for the 3rd year in a row. September 12 CSI is holding a golf tournament in support of the Scholarship Fund. The Chapter also held education sessions for potential CDT candidates this past winter. **Faith Kidder, CSI CDT** with **Integrus Architecture** was the only one of those candidates that took the exam, and as you can see by the new letters behind her name, she passed!

We look forward to seeing everyone at the next Chapter event, the **CSI Scholarship Golf Tournament September 12 at Indian Canyon**. Have a great summer!
